9. Public Hearing and Adoption: 2007-2008 Fiscal Year Budgets

CM Coleman presented the FY 2007 – 2008 Operating Budgets for the City of Carrollton to the Mayor and Council for adoption. The proposed FY2007-2008 General Fund Operating Budget of \$17,632,845 represents an overall increase of \$2,220,214 or 14% over the FY 2006-2007 Budget of \$15,412,631. A major portion of this increase (\$1,237,099) is due to the implementation of the unified budget/accounting proposal, which will merge all Recreation Department accounting functions with the City's accounting functions effective July 1, 2007.

CM Coleman reported that the proposed FY 2007-2008 Water Fund Budget of \$10,939,000 represents a 14% increase over the current budget of \$9,556,264. Water and sewer rates are proposed to increase by 5%.

CM Coleman stated that he proposed that the \$3,420,000 Sanitation Enterprise Fund Budget represents a 7% decrease from the current year budget of \$3,695,590. No rate increases are proposed due to conservative budgeting, customer base growth, and no capital purchases proposed for FY 2008. Also, landfill-tipping fees are expected to remain the same for FY 2008. Mayor Garner opened the public hearing to receive citizen comments on the matter. Those speaking in favor: None.

Those speaking opposed: None.

Comments: There were no public comments regarding the FY 2007/2008 Budgets.

Mayor Garner expressed his appreciation to City staff and inquired if the Council had a motion on the matter. **Motion by Councilmember Gray, seconded by Councilmember Maierhofer to adopt the FY 2007-2008 Operation Budgets as presented. Motion passed. (5-0)**

10. 2007 Millage Rate Adoption

City Manager Coleman informed the Mayor and Council that based on preliminary digest figures from Carroll County for the City of Carrollton, the recommended millage rate for the City's maintenance and operations for 2007 is 4.77 mills, which represents a decrease of .02 mills from the 2006 millage rate of 4.79 mills. Mayor Garner expressed his appreciation to the City Manager and Finance Director for their work in the matter. Those speaking in favor: None.

Those speaking opposed: None.

Comments: There were no public comments regarding the 2007 Millage Rate Adoption.

Motion by Councilmember Byrd, seconded by Councilmember Gray to adopt the 2007 millage rate as presented. Motion passed, (5-0).

11. Highway 61/166 Sanitary Sewer Line Bid Award (Division 1)

Assistant City Manager Tim Grizzard announced that sealed bids for the Highway 61/166 Sanitary Sewer Line (Division 1) Project were opened on June 14, 2007. ACM Grizzard explained that Division 1 includes approximately 5700 feet of 16" gravity sewer installed using pipe bursting to replace the existing 8" line. This method of installation was selected to eliminate the need for additional wetland permitting and to eliminate the procurement of additional easement. ACM Grizzard reported that the project begins at the Highway 166 bypass approximately 1000' east of Highway 61 and extends along the existing sanitary sewer alignment. Bid results are as follows:

Caldwell Construction Co., Inc. – Bowdon, GA	\$399,359.00
Benton-Georgia, Inc. – Douglasville, GA	\$427,994.64
Suburban Cable Service – Cedartown, GA	\$647,008.00
Sweetgrass, Inc. – Carrollton, GA	\$697,368.35
Southeast Pipe Survey, Inc. – Patterson, GA	\$755,775.00
Midsouth Trenchless, Inc. – Chattanooga, TN	\$777,090.00
Underground Excavating, Inc. – Blackshear, GA	\$1,114,375.00

Comments: There were no public comments regarding the matter.

Mayor Garner inquired as to the desire of the Council on the matter.

Motion by Councilmember Gray, seconded by Councilmember Maierhofer to award the bid for Division 1 of the Highway 61/166 Sanitary Sewer Line to Caldwell Construction Co., Inc.

of Bowdon, GA for \$399,359.00 and award the pipe bid for the project to Consolidated Pipe & Supply of Lawrenceville, GA for \$90,630.00. Motion passed, (5-0).

ACM Grizzard recommended that the award of Division I of this project be awarded to Caldwell Construction Company, Inc. of Bowdon, Georgia. ACM Grizzard stated that as a part of this project, the City will furnish the high-density polyethylene pipe (HDPE). Written quotes were solicited for the purchase of this pipe with the following results:

Vellano Brothers, Inc. – Lincoln, AL	\$90,573.00
Consolidated Pipe & Supply – Lawrenceville, GA	\$90,630.00
Georgia Underground – Forest Park, GA	\$95,931.00
ISCO Industries – Louisville, KY	\$92,283.00
(If ordered before July 13)	\$90,858.00

ACM Grizzard noted that although Vellano Brothers, Inc. is the low quote by \$0.01 per foot or \$57, the City has had no dealings with this company. ACM Grizzard reported that the City has bought from Consolidated on numerous occasions and has been well satisfied with the service and the quality of the product. Recently, Consolidated assisted the City in an emergency, which required HDPE piping at the Lake Carroll Dam. ACM Grizzard also pointed out that the quote from Vellano Brothers explicitly states that no returns will be allowed whereas Consolidated will allow returns of unused sticks of pipe. ACM Grizzard stated that based on these factors, he recommended that the purchase of this pipe be awarded to Consolidated Pipe & Supply of Lawrenceville, GA.

Comments: There were no public comments regarding the matter.

Mayor Garner inquired as to the desire of the Council on the matter.

Motion by Mayor Garner, seconded by Councilmember Gray to award the pipe bid for the project to Consolidated Pipe & Supply of Lawrenceville, GA for \$90,630. Motion passed (5-0).

12. Board Appointment: MainStreet Board (1)

Motion by Councilmember Gray, seconded by Councilmember Balega to appoint Chad Houck to fill the unexpired term of Mr. Lee Cole on the Main Street Board (terms expire 12-31-09). Motion passed, (5-0).

VI. MAYOR AND COUNCIL ANNOUNCEMENTS

Earlier in the meeting, Mayor Garner announced that the Rotary Club of Carrollton had made a \$500.00 donation to the Carrollton Greenbelt Project, which will be used as seed money toward the investment account of the Community Foundation of West Georgia in anticipation of future donations.

Councilmember Balega inquired as to the status of the Newnan Street/Bankhead Highway Traffic Engineering Study. City Manager Coleman advised that a copy of the study is now available.

Councilmember Maierhofer made suggestions regarding efforts to conserve water.

Mayor Garner advised that the recent Traffic Study revealed that in the vicinity of Tanner Street the existing 85th percentile speed on Newnan Street in the westbound direction is 27.80 mph, which is less than the posted 30 mph speed limit on Tanner Street. Mayor Garner concluded that 85% of the drivers travel at speeds less than 27.80 mph and only 15% travel faster than 27.80 mph.

Mayor Garner again expressed his appreciation to City Manager Coleman, Finance Director Triplett and City staff for their efforts regarding the FY 2007/2008 Budget.

Councilmember Byd expressed his appreciation for all who attended and participated in the "Raisin in the Sun" production.

Councilmember Byrd requested that the City look into the possibility of installing speed bumps in residential areas.

VII. CITY MANAGER ANNOUNCEMENTS

None.

VIII. ADJOURN
